**To Whom It may Concern:**

Re.: Ward General Contractors, Inc.

This letter is to inform that Ward General Contractors, Inc. completed on last July 2003 a project for us at our location in Hartsfield International Airport in Atlanta, GA, the project consisted of general site upgrades and improvements of our facility and the installation of general structures with a contract amount of \$900,000

Ward GC performed this project for us in a very efficient and organized fashion with out any interruption to our operation; the small and the sometimes big problems that are common in this type of projects were addressed in a responsible and professional manner by Ward.

I would recommend Ward General Contractors, Inc. to be hired for any construction project within their area of expertise.

Should you require additional information please do not hesitate to contact me personally.

Sincerely,

Jorge S. Kuperman, AIA
