Re: Ward General Contractors, Inc.

Dear Mr. Graham:

Ward General Contractors, Inc. completed the construction of two new Gwinnett County Fire Stations No.27 and No.8 as of 06/12/07. The scope of these projects included two new 8,800 SF Fire Stations and related site work with approximately 35,000 SF of GA DOT concrete paving.

Ward General Contractors completed these projects on-schedule, and to the satisfaction of Gwinnett County. They are eligible to bid in future Gwinnett County projects.

Please feel free to contact me at 770-822-7112 after July 29th or contact Mr. George Heckman, Director of Capital Projects, at 770-822-7139 should you have any questions.

Sincerely,

Ruhi Bafrali
Project Manager
Facilities Management Department
