Re: Ward General Contractors
1031 Shiloh Road, Suite 430
Kennesaw, Georgia 30144

Dear Mr. Howell:

The purpose of this letter is to recommend Ward General Contractors as a pre-qualified general contractor for the Department of Transportation. Ward has successfully completed three buildings for the City of Decatur – Decatur Fire Station No. 2, the historic Decatur Cemetery office building and the Decatur Recreation Center. All three buildings were completed on-time and within budget. Both Fire Station No. 2 and the Decatur Recreation Center won significant awards.

Ward is an excellent contractor with a highly professional and experienced staff that not only identifies and but helps solve problems during the construction process. We look forward to working with Ward in the future.

Please let me know if I can provide additional information.

Sincerely,

Hugh Saxon
Deputy City Manager
