RE: Reference letter for Ward Construction Inc.

To Whom It May Concern:

My name is Janice Wittschiebe and our firm, Richard Wittschiebe Hand, served as the Architects of Record for the New Gamma Eta Chapter House for Alpha Xi Delta Sorority at the Georgia Institute of Technology. During the design and construction of the Alpha Xi Delta house, I served on the House Corporation Board and I continue to serve on the Board as the Chapter House Alumni Facilities Manager.

The Gamma Eta Chapter House project was bid in 2005 to a select number of bidders and the successful bidder was Ward General Contractors.

I personally worked with Floyd Ward throughout the project and found him and his company representatives responsive and a great source of information and assistance. Alpha Xi Delta has been using the house since it was completed in 2005 and it has been a solid house and held up very well to the many sorority events and for the chapter members living there.

I give my whole-hearted recommendation to Floyd Ward and Ward General Contractors.

Regards,

A handwritten signature in black ink that reads "Janice N. Wittschiebe". The signature is written in a cursive, flowing style.
